# International Internships

## Get paid to teach in an American school!

The **INTERNATIONAL TEACHING PROGRAM** enables qualified International students and recent graduates majoring in Education to embark on challenging teaching internship opportunities at American schools on the J-1 visa program. Every year these Internships in Education open doors to an exchange of ideas, methodologies, and culture, which should benefit everyone involved. Interns hone valuable skills in teaching environments abroad, improve their English, and experience American life and school culture.
