International Internships

A Civil Engineering and Architectural Design firm in Ireland is looking for Interns!

Want to enhance your resume with hands-on professional experience in Civil Engineering / Architectural Design?

A hands-on internship will give you chance to work on real-world engineering projects and develop your professional skills. Gain practical experience in the field, enhance your CV, and get a feel for what the day-to-day work is like in this exciting industry.

Internship Description:

- Learn the architectural documentation process.
- Utilize Revit, Sketchup, CAD, as well as hand-built modeling.
- Get hands-on training with Programming, schematics, design development, and

drafting construction documents.

- Understand the differences between Ireland standards and those of other countries.
- This firm specializes in building certification so you will get excellent exposure to building regulation compliance, specifically in the area of fire safety, structural design, and accessibility.

Qualifications:

- Seeking a major in the field of Civil Engineering or Architectural Design
- Open-minded, positive, and eager to learn
- Interest in sustainable design a plus
- The ideal candidate would have good English and would know how to use AutoCAD.

Location: Ireland

Duration: 8 -12 Weeks

Program Fee: 8 Weeks - **\$3500**

12 Weeks - **\$3600** (Plus Housing)

Inclusions:

- Custom placement
- On-site Coordinator
- On-site orientation
- Visa assistance (US applicants only)
- ISIC Card (for those currently enrolled in university)
- Evacuation Insurance (for those currently enrolled in university)
- Basic Health Insurance (for those currently enrolled in university)
