

European Association

Erasmus Coordinators

A non-profit, non-governmental organization with a well-established network of more than 140 university members. It was established since 2005 and one of its main activities was to facilitate the meeting of HE ERASMUS coordinators through an annual conference named ERACON: ERASMUS Congress and Exhibition.

OUR AIMS

- Develop better and more effective participation in the ERASMUS+ and other funding programmes of the EU.
- Promote mobility of students, academic and administrative staff in the territory of the European Union and beyond.
- Support the process of raising education and quality standards in the territory of the European Union and beyond.
- Organize seminars, workshops and conferences, with an assumption of enabling direct communication among the Association's members and be a catalyst for networking between EAEC members.
- Promote and Participate in EU funded programmes.
- Run surveys and studies on topics relating to the above.
- Produce publications of interest to the members.
