

PRESS RELEASE

“ERACON & CAREER-EU” – “EUROMATH & EUROSCIENCE” – “EUROPEAN STEAME CONFERENCE” 2022

Thessaloniki, Greece 27 June-01 July 2022

This is to announce **three parallel EU Conferences**, to be organized between **27 June and 01 July**, at the **Grand Hotel Palace in Thessaloniki**. All three Conferences will offer opportunities for cooperation, networking and learning, to Educators and Researchers, to students from all levels of Education and to others related to Education. The language of the Conferences is English.

ERACON & CARREER-EU 2022

The European Association of Erasmus Coordinators (EAEC) is organizing the 18th Annual Erasmus Congress and Exhibition – ERACON 2022, in collaboration with the European Association of Career Guidance (EACG) , the University of Macedonia in Thessaloniki, the Eurotraining Greece and the ERASMUS Student Network (ESN).

Erasmus+ Coordinators, Placement & Internships Managers, Researchers and Professionals in the Academic or Business world, who are interested in the Erasmus+ Programme, are welcome to participate in the Congress.

The Programme of the Event includes presentations, round table discussions, workshops, the go-exchange fair, a competition and the University-to-University (U2U) meetings, the mentoring programme and more. Learn more about the event: www.eracon.info

The European Association of Career Guidance (EACG) is organizing, during ERACON 2022 Congress, the 13th CAREER-EU 2022 Conference. Career Guidance Counsellors and other experts, in this sector, will attend workshops and discuss specific topics that aim to professional improvements of Career Guidance Counselling. For more information: www.career-eu.info

EUROMATH & EUROSCIENCE 2022

The Cyprus Mathematical Society and the Thales Foundation, in collaboration with the Education Committee of the EU Mathematical Society, are organizing the European Mathematics & Science for pupils or young Researchers, Mathematicians and Scientists.

The Conference will consist of several workshops and sessions covering multiple themes and applications in Mathematics and Science. The information is here: <https://www.euromath.org>

EUROPEAN STEAME CONFERENCE 2022

Teachers and Researchers are invited to participate in the EUROPEAN STEAME Conference organized in cooperation with the EU Funded Project: “STEAME-HYBRID: Blueprint Guidelines and Policy Recommendations”, coordinated by the Cyprus Mathematical Society.

During the event will be a presentation of the STEAME School of the future, the STEAME Learning & Creativity Plans (the future lesson plans), round table discussions, results of other related EU funded projects and workshops.
