ERACON & CAREER-EU 2022 CALL FOR PRESENTATIONS & WORKSHOPS

NEWS

ERASMUS+ Mobility Barometer 2021-2027 The voice of the ERASMUS+ Coordinators

The European Association of ERASMUS Coordinators is preparing to launch the new programming period Mobility Barometer. Over the last 6 months the questions were discussed with the European Commission representatives and the plan is to discuss the questions once more with the Erasmus+ Coordinators during the ERASMUS Congress 2022 in Thessaloniki. Participants in ERACON 2022 will be invited to a Round Table where the questions for the Barometer will be presented and will have an opportunity to suggest changes and/or additional questions.

EU stands with Ukraine

Mariya Gabriel, Commissioner for Innovation, Research, Culture, Education and Youth, has announced measures to support Ukrainian students, young people, teachers and educators in these extremely challenging times.

UAegean ERASMUS+ students are now able to issue their digital identity card and store it in their mobile phone

The University of the Aegean myID Card Service enables UAegean ERASMUS Students and Academic Staff to issue Digital Identity Verifiable Credentials (VCs), store them in their mobile phone and, later on, use them to prove their ERASMUS status both physically and online with no need for password and account management. The UAegean ERASMUS myID Card service has been co-financed by the Connecting Europe Facility (CEF) of the European Union (SEAL Project | Grant Agreement No INEA/CEF/ICT/A2018/1633170)

ANOTHER PROJECT FOR THE EAEC in 2022

The European Association of Erasmus Coordinators is a partner in the New HEI project "DEELforHOST": Digital Employer Engagement and Learning for Hospitality and Tourism under Pandemic and Other Crisis Situations. The project will develop and deliver a smart Platform, which will act as an electronic tool facilitating communication, cooperation & learning between employers and HEIs offering programmes in Hotel and Tourism (HT). The platform will facilitate a functional relationship proactively satisfying the needs of all parties concerned: Hotel and Tourism Industry, HEIs in HT, teachers, students/graduates).

The main objectives of the project:

- Digital transformation and enhancement of employers' engagement between Higher Education(HE) and Hotel and Tourism Industry(HTI)
- Improvement of the HE curricula to meet the needs of HTI, utilizing resources and tools sourcing from the industry
- Online access HTI enterprises for practical training or employment of part-time or full-time students/graduates
- Development of online fruitful networks between professionals in HE and HTI

It is a 2-year project, from 01 March 2022 to 28 February 2024, with 7 partners:

Coordinator is the University of Piraeus Research Center – GR, and Partners:

- o The Higher Hotel Institute Cyprus – CY
- o The Ikonicheski Universitet-Varna – BG
- o The Universitat de les Illes Balears – ES
- o The University of Cyprus – CY
- o The Vidzemes Turisma asociacija – LV
- o The European Association of Erasmus Coordinators – CY

CONOCO Mini Conference Nicosia, 10 May 2022

This is an invitation to participate in the CONOCO Mini-Conference, organized in Cyprus, by the European Association of Erasmus Coordinators, coordinator of the EU Funded Project "CONOCO: Coping with NO mobility during Corona Virus Times: Learning from each other".

The Conoco project developed a comprehensive E-book, with a collection of good-practices of how people cope with No-Mobility during the Covid-19 pandemic and has published related Video Testimonials by people of all ages.

More information and to REGISTER, please visit the project website, under NEWS: www.co-no-co.eu

Participation in the Conference is **FREE of Charge**. **Certificates of participation** will be given to all participants.

The METIS Event meeting in Brussels – 1 June 2022 and the ISS event- 30 May 2022

The METIS project is bridging the skills gap in the microelectronics sector, for a more competitive Europe. The Sector Skills Alliance, co-funded by the Erasmus+ Programme, brings together a consortium of 19 key partners to develop skills intelligence deliver the METIS curriculum and training and promote microelectronics as a career choice.

One day before the METIS event, the Industry Strategy Symposium Europe - ISS Europe gathers executives and high-level experts to provide microelectronics market projections and insights into the latest economic and societal trends, geopolitics, and technologies shaped by the microelectronics industry.
