Preparation of proposals and Management of EU Projects under ERASMUS+ & Networking Innovation Meeting

Preparation of proposals and Management of EU Projects under ERASMUS+

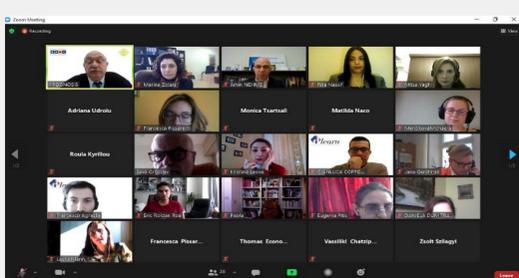

The European Association of ERASMUS Coordinators, in cooperation with the European Association of Career Guidance organized this online course with title "Preparation of Proposals and Management of European Education Projects under ERASMUS+ during 2 & 3 of February 2021 for a total of 6 hours.

This training course introduced to prospective European Project Coordinators the step by step key issues in order to begin with an idea and end up with a full proposal for a European (Erasmus+) project including elements of project management. Specific actions supported but no limited to: KA2 and KA3 projects, and Sports under Erasmus+. Participants will be able to review and discuss actual approved proposals and reports of completed projects.

Networking Innovation Meeting

The European Association of ERASMUS Coordinators (EAEC) and its EAEC TASK Force organized a virtual full-day Networking Innovation Meeting on February 4th 2021. The event was moderated by the President of EAEC, Prof. Gregory Makrides. The aim was to provide a ground for consortia development through the sharing of new ideas for new proposals under European funding schemes while leading them to successful innovative projects.

Participating countries were: Hungary, Romania, Bulgaria, Italy, Albania, North Macedonia, Greece, Czech Republic, Germany, Estonia, Cyprus, Lithuania, Spain and Lebanon.

A new Erasmus+ App for the new Erasmus+ programme

The Erasmus+ App is revolutionizing the planning, administration and support services for mobile students and other learners in Europe, making participation easier, regardless of their personal or academic background.

A new EACG project: "Skills4Parents"

The relationship between parents and children has changed over time, due to the extended use of new technologies in our daily life, the modern ways of communication between children and the different ways of spending free time. Parents nowadays, need to adapt to new information on how to communicate with their children, nurture their maturity and development and bring them up into confident and vigilant children.

The "SKILLS4PARENTS" project consortium includes, 6 partners from Cyprus, Belgium, Croatia, Italy, Netherlands and will be of 24 months duration from 01.11.2020 to 01.10.2022.

The 1st Newsletter of the project is available [HERE](#)

EAEC Hum@n project – "Handbook" video

HUM@N (or Digital Transformation in Humanities) is a project funded by the European Commissions under Erasmus + KEY Action 2 Programme which aims to develop a set of tools and guidelines addressed to higher education educators/professors in the field of humanities (literature, history, geography, philosophy etc.).

The first objective of the project is to create a handbook with case studies and policy recommendations to develop contents and to raise awareness of the project among the institutions and people Hum@n is addressed to.
