## A European approach to micro-credentials

A micro-credential is a proof of the learning outcomes that a learner has acquired following a short, transparently assessed learning experience. They are awarded upon the completion of short stand-alone courses (or modules) done on-site or online (or in a blended format).

## Labour market needs in microelectronics from industry

The "ECOVEM" project brings together VET centres, polytechnics, industrial associations, social partners to establish European Cooperation platform of Vocational Excellence in Microelectronics to tackle the challenges of: digitalisation, artificial intelligence, green technologies, gender equality and technology, integration of migrants.  
[Website](#)

Within the ECOVEM project, funded by the EC, we have the opportunity to develop training courses in the sector of microelectronics. In order to meet the industry and employment market requirements we would like to get your feedback as an actor of this environment. The questionnaire will take you no more than 10 minutes.

## "UPGRADE - UP skillinG Refugees And aDult Educators"

If you are an adult educator or an adult trainer and practitioner who works with refugees/migrants and you want to become Certified Inter-Cultural Communication Trainer, you can find all the information you need about the certification procedure on the [website](#).

## "CONOCO"- Coping with NO mobility during Corona Virus

The European Association of Erasmus Coordinators (EAEC) is pleased to announce that the project "CONOCO-Coping with NO mobility during Corona Virus times: Learning from each other", has been approved by the Cyprus National Agency and is funded by the European Commission under the Erasmus+ KA2. Duration, (October 2020 until May 2022).

### INVITATION

We kindly invite you to answer a short questionnaire (10 minutes) regarding the lockdown period caused by the corona virus pandemic. Your participation will be greatly appreciated because the information gathered will form a collection of good- practices of how people cope with No- Mobility during the Covid-19 outbreak. The questionnaire is addressed to everybody (from students to senior citizens). All responses will remain confidential and will be used according to the EU regulations.
