### OTHER NEWS

### Solutions Summit Getting the Climate and Green Economy Workforce We Need

Register: [HERE](#)  
 Date: 1 June 2022  
 Time: 2 to 3:30 pm CEST

Are you a green economy employer, educator, career advisor, minister, or other stakeholder? Are you concerned about climate change and want to help expand the workforce urgently needed to implement climate and sustainability solutions? Clean energy and green economy organisations are very busy and need help. Let's make recruitment, education, career guidance and job placements more effective and inclusive. Please attend the Solutions Summit brought to you by UNEP-YEA's Green Jobs initiative and the Green Growth Knowledge Platform's Green Learning Network.

The event will cover student recruitment into education, career guidance and employee placements and unveil:

- A UN based Green Learning Network platform for networking and connecting employers, educators, researchers and policymakers
- How to build a more inclusive workforce for engagement in climate solutions
- Skills to help employers, employees and students become better change agents for a more sustainable society
- Interactions within the Summit to make useful connections
